ALL QUALIFIED FIRMS:

The City of Tamarac is currently interested in obtaining information regarding the furnishing of Office Supplies to the Southeast Florida Governmental Purchasing Cooperative (Co-op). A questionnaire has been provided related to specific requirements for members of the Co-op, and we ask that you submit your response to this request including all of your pricing and questionnaire responses either by mail or hand delivery, on or before the date and time referenced above. Any submittals received after 3:00 p.m. on said date will not be accepted under any circumstances. Any uncertainty regarding the time a submittal is received will be resolved against the submitting vendor. Official time will be measured by the time stamp in the City of Tamarac Purchasing and Contracts Division Office.

Respondent shall list all applicable discounts by group, and enumerate any areas within the catalog where additional restrictions may apply.

2.2 The Pricing Matrix is intended to provide information for comparison only, and will not be the sole determining factor in any award of an agreement resultant from this Request for Proposal process. The pricing matrix for High use items is based on the current State of Florida Agreement with Office Depot.

Therefore, if a specific manufacturer’s item is listed on the Pricing Matrix, proposer MUST provide pricing for that manufacturer’s product and/or OEM product. DO NOT submit a generic equivalent or reconditioned or re-loaded item unless the item SKU specifically describes an item that may fall into one of those categories. In the event that the reference SKU reflects a generic equivalent, reconditioned or re-loaded item, then the proposer may submit their own generic item for consideration. Generic items will also be identified on the Pricing Matrix document.

3. ORDERING REQUIREMENTS & E-COMMERCE

3.1 The successful respondent shall provide for complete on-line ordering by use of an electronic catalog methodology, which will permit customers to order on-line over the internet. The successful respondent shall maintain all servers at their location(s), and provide for appropriate data security to safeguard orders entered by Co-op members on-line.

3.2 The on-line ordering system shall be populated with all appropriate and correct pricing for members of the Co-op, based on the respondent’s consortium pricing. In the event an error in pricing is discovered in favor of the Co-op member, the successful contractor shall provide a refund and/or credit memo to be issued within ten (10) days after the discovery of the discrepancy.

3.3 The on-line ordering system shall be structured in such a manner to allow for multiple approval levels which may be customized for individual agencies.

3.4 The on-line ordering system shall be set-up to provide for billing to a specific address, and shall be capable of accepting procurement cards as a means
of payment at the time of order entry.

3.5 It is preferable that the on-line ordering system be capable of providing the appropriately discounted price to individuals who may wish to purchase supplies at one of the respondent’s retail stores. The system shall provide Co-op pricing based on the entry of an entity’s account number, or by the use of an entity pro-card.

3.6 Upon delivery of the order, the successful respondent’s e-commerce system shall be capable of providing electronic invoicing if desired.

3.7 In addition to the use of pro-cards for payment, the successful respondent’s e-commerce system shall be capable of receiving payment via Electronic Funds Transfer (EFT) from the entity.

4. MINIMUM ORDERING QUANTITIES & DELIVERY CHARGES

6. REBATE PROGRAM

The successful respondent shall outline any applicable rebate program that may be available through the use of their agreement.

7. RETURN POLICY

The successful respondent shall have a policy which provides for the return of incorrect merchandise at no cost to the governmental entity. The Co-op desires a policy which will provide for ease in handling returns.

8. CUSTOMER SERVICE & BILLING

Members of the Co-op place a high value on excellent customer service. Service provided by the respondent, including past customer service history, services available, reduced paperwork, easily understood invoicing, and quick turnaround time for orders as well as inquiries will be a factor in the determination of the
successful respondent to this request.

8.1 It is highly desirable that the successful respondent utilize dedicated inside and outside representatives to service this account. The respondent may utilize multiple representatives to cover the entire CO-OP area; but shall appoint a single point of contact to provide for consistency and continuity of service.

8.2 Successful respondent shall provide for accurate billing of items ordered, timely credits (within 24 hours), and invoices that are easy to understand.

9. REPORTING CAPABILITIES

The successful respondent shall provide for robust reporting capabilities to assist governmental entities and the Co-op as a whole in identifying their ordering patterns, and product usage. A listing of standard reports available should be provided.

The City, however, reserves the right to accept a shorter or longer term Agreement, based upon proposal responses. Pricing under the Agreement shall remain firm and fixed for a minimum of six (6) months after contract commencement. The City will evaluate proposal responses to price stability and escalation as a part of its due diligence in proposal evaluation.

11. PROPOSAL EVALUATION

An Evaluation Committee consisting of member agencies of the Southeast Florida Governmental Purchasing Cooperative will evaluate and rank proposals received in response to the Request for Proposals. The evaluation will be based on an overall ranking of proposal responses from 1 to the total number of proposal submittals.

The Aggregate Pricing total for our High Use Items and the overall discount for non-high use items will be used to evaluate pricing, and the responses to the questionnaire, and service documentation provided as a part of the response will be used to evaluate the quality and availability of services under the Agreement. The Pricing component and the quality and availability of services component will be equally ranked during the evaluation process.

modifications issued after execution of this Agreement. These contract documents form the
Agreement, and all are as fully a part of the Agreement as if attached to this Agreement or
repeated therein. In the event that there is a conflict between Request for Proposal
document #13,23R as issued by the City, and the Contractor’s Proposal, ________________
as issued by the City shall take precedence over the Contractor’s Proposal. Furthermore,
in the event of a conflict between this document and any other contract documents, this
Agreement shall prevail.

documents as set forth below:

3) Insurance

3.1. Contractor shall obtain at Contractor’s expense all necessary insurance in such form and amount as specified in the original bid document or as required by the City’s Risk and Safety Manager before beginning work under this Agreement including, but not limited to, Workers’ Compensation, Commercial General Liability, and all other insurance as required by the City, including Professional Liability when appropriate. Contractor shall maintain such insurance in full force and effect during the life of this Agreement. Contractor shall provide to the City’s Risk and Safety Manager certificates of all insurances required under this section prior to beginning any work under this Agreement. The Contractor will ensure that all subcontractors comply with the above guidelines and will retain all necessary insurance in force throughout the term of this agreement.

3.2. Contractor shall indemnify and hold the City harmless for any damages resulting from failure of the Contractor to take out and maintain such insurance. Contractor’s General Liability Insurance policies shall be endorsed to add the City as an additional insured. Contractor shall be responsible for payment of all deductibles and self-insurance retentions on Contractor’s Liability Insurance policies.

4) Contract Term and Renewal

This Agreement shall be effective ________________, for a period of 3 years. City and Contractor reserve the right to exercise one (1) additional 3 year agreement, subject to satisfactory performance by Contractor.

5) Contract Sum

The Contract Sum for the above work is based on the high-use pricing matrix and discounted catalog pricing provided proposed by Contractor as part of its response to Request for Proposal #13-23R.

6) Payments

Payment will be made monthly for goods properly delivered during the previous month. The City of Tamarac will pay all office supply invoices by procurement card. All payments shall be governed by the Local Government Prompt Payment Act, F.S., Part VII, Chapter 218.

7) Indemnification

7.1 The Contractor shall indemnify and hold harmless the City, its elected and appointed officials, employees, and agents from any and all claims, suits, actions, damages, liability, and expenses (including attorneys’ fees) in connection with loss of life, bodily or personal injury, or property damage, including loss of use thereof, directly or indirectly caused by, resulting from, arising out of or occurring in connection with the operations of the Contractor.
or its officers, employees, agents, subcontractors, or independent Contractors, excepting only such loss of life, bodily or personal injury, or property damage solely attributable to the gross negligence or willful misconduct of the City or its elected or appointed officials and employees. The above provisions shall survive the termination of this Agreement and shall pertain to any occurrence during the term of this Agreement, even though the claim may be made after the termination hereof.

7.2 Upon completion of all Services, obligations and duties provided for in this Agreement, or in the event of termination of this Agreement for any reason, the terms and conditions of this Article shall survive indefinitely.

7.3 The Contractor shall pay all claims, losses, liens, settlements or judgments of any nature whatsoever in connection with the foregoing indemnifications including, but not limited to, reasonable attorney's fees (including appellate attorney's fees) and costs.

7.4 The City and Contractor recognize that various provisions of this Agreement, including but not limited to this Section, provide for indemnification by the Contractor and requires a specific consideration be given there for. The Parties therefore agree that the sum of Ten Dollars and 00/100 ($10.00), receipt of which is hereby acknowledged, is the specific consideration for such indemnities, and the providing of such indemnities is deemed to be part of the specifications with respect to the services to be provided by Contractor. Furthermore, the City and Contractor understand and agree that the covenants and representations relating to this indemnification provision shall serve the term of this Agreement and continue in full force and effect as to the City's and the Contractor's responsibility to indemnify.

7.5 City reserves the right to select its own legal counsel to conduct any defense in any such proceeding and all costs and fees associated therewith shall be the responsibility of Contractor under the indemnification agreement.

7.6 Nothing contained herein is intended nor shall be construed to waive City's rights and immunities under the common law or Florida Statutes 768.28, as amended from time to time.

8) Non-Discrimination & Equal Opportunity Employment

During the performance of the Contract, the Contractor shall not discriminate against any employee or applicant for employment because of race, color, sex, religion, age, national origin, marital status, political affiliation, familial status, sexual orientation, or disability if qualified. The Contractor will take affirmative action to ensure that employees are treated during employment, without regard to their race, color, sex, religion, age, national origin, marital status, political affiliation, familial status, sexual orientation, or disability if qualified. Such actions must include, but not be limited to, the following: employment, promotion; demotion or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor shall agree to post in conspicuous places,
available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause. The Contractor further agrees that he/she will ensure that Subcontractors, if any, will be made aware of and will comply with this nondiscrimination clause.

9) Independent Contractor

This Agreement does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the Contractor is an independent contractor under this Agreement and not the City’s employee for any purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Worker's Compensation Act, and the State Unemployment Insurance law. The Contractor shall retain sole and absolute discretion in the judgment of the manner and means of carrying out Contractor’s activities and responsibilities hereunder provided, further that administrative procedures applicable to services rendered under this Agreement shall be those of Contractor, which policies of Contractor shall not conflict with City, State, or United States policies, rules or regulations relating to the use of Contractor’s funds provided for herein. The Contractor agrees that it is a separate and independent enterprise from the City, that it had full opportunity to find other business, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. This Agreement shall not be construed as creating any joint employment relationship between the Contractor and the City and the City will not be liable for any obligation incurred by Contractor, including but not limited to unpaid minimum wages and/or overtime premiums.

13.1.3 Ensure that public records that are exempt or that are confidential and exempt from public record requirements are not disclosed except as authorized by law; and

13.1.4 Meet all requirements for retaining public records and transfer to
the City, at no cost, all public records in possession of the contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the agency.

13.2 The failure of Contractor to comply with the provisions set forth in this Article shall constitute a Default and Breach of this Agreement and the City shall enforce the Default in accordance with the provisions set forth in Article 12 "Termination" herein.

14) Uncontrollable Forces

14.1 Neither the City nor Consultant shall be considered to be in default of this Agreement if delays in or failure of performance shall be due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid. The term "Uncontrollable Forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.

14.2 Neither party shall, however, be excused from performance if nonperformance is due to forces, which are preventable, removable, or remediable, and which the nonperforming party could have, with the exercise of reasonable diligence, prevented, removed, or remedied with reasonable dispatch. The nonperforming party shall, within a reasonable time of being prevented or delayed from performance by an uncontrollable force, give written notice to the other party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

15) Agreement Subject to Funding

The Contractor shall provide the City with copies of requisite documentation evidencing that the signatory for Contractor has the authority to enter into this Agreement.

18) Severability; Waiver of Provisions

Any provision in this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provisions in any other jurisdiction. The non-enforcement of any provision by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

19) Merger; Amendment

This Agreement constitutes the entire Agreement between the Contractor and the City, and negotiations and oral understandings between the parties are merged herein. This Agreement can be supplemented and/or amended only by a written document executed by both the Contractor and the City.

20) No Construction Against Drafting Party

Each party to this Agreement expressly recognizes that this Agreement results from the negotiation process in which each party was represented by counsel and contributed to the drafting of this Agreement. Given this fact, no legal or other presumptions against the party drafting this Agreement concerning its construction, interpretation or otherwise accrue to the benefit of any party to the Agreement, and each party expressly waives the right to assert such a presumption in any proceedings or disputes connected with, arising out of, or involving this Agreement.
